

Meeting 1 Minutes - ZOOM 24 oct. 2024

- Attendees: Jonathan Herrera, Samay Upadhyay, Eric Liu, Vincent Nguyen, Daniel Choi
- Topics Covered:
 - Basic Tasks we want to complete, we want to focus mostly on manager for the first sprint
 - Ideas regarding how we should go about fixing the backend specifically the issues with how we want to keep track of users. We are thinking about adding columns to orders but will continue later

Meeting 2 Minutes - ZOOM 26 oct. 2024

- Attendees: Jonathan Herrera, Samay Upadhyay, Eric Liu, Vincent Nguyen, Daniel Choi
- Topics Covered:
 - Checked up on progress, it is a bit slow as many of the members are learning the basics of React and Next.js but we expect things to pick up in the next spring once everyone is more comfortable.
 - Decision was made to focus purely on Manager View for the previous reasons of everyone being new.

Meeting 3 Minutes - ZOOM 28 oct. 2024

- Attendees: Jonathan Herrera, Samay Upadhyay, Eric Liu, Vincent Nguyen, Daniel Choi
- Topics Covered:
 - Checked up on progress once again, everyone seems to be close to finishing so we decided to add basic authentication for this sprint as well!
 - All members have made good progress on their knowledge of next.js and react as well!
 - Future meeting will have discussion over task assignment for sprint 2, as we are a little behind at the moment.
